

Elixir wallcovering from Muraspec. Created by hand using artisan techniques, the fine-grained paulownia wood is cut and spliced to form this beautiful tactile, interlocking geometric pattern. Retaining its authentic burl and ripple characteristics of paulownia wood, this natural and unique design offers an elegance and beauty, accentuated in its finish with slender shiny lines of gold leaf burnished along precise edges of the pattern. Elixir is simple yet majestic, adding real luxury and warmth to your space.
